PHARMACY

WE PREPARE TOMORROW'S 8-STAR PHARMACISTS
AND LEADERS TODAY

AND MAKE PATIENT CARE AS OUR PRIORITY

THAT'S THE NUS PHARMACY DIFFERENCE!

NUS Science:
Creating the Future

FACULTY OF SCIENCE

Why Pharmacy? What we say...

"It impacts healthcare and is a professional course."

"I am fascinated by medications and how they work."

"Opportunities in clinical practice and biomedical research are plentiful."

"We can make a difference in another person's life."

Sounds familiar?
See yourself as a **PHARMACIST?**

JOIN US NOW!

How's Life? What we do...

NUS Rag and Flag
